## ANNOUNCEMENTS:

- The JOYAL family needs your help! They recently discovered some serious structural damage to their house. Estimated cost of repairs is just under \$2000. This is an unexpected expense for the family, and they could use our help. If you are willing to make a donation to help them with the costs, please contribute through the church (indicate on your envelope, or place in separate marked envelope). *“Share with the Lord’s people who are in need” Romans 12:13*
- Acadia Divinity College is offering some interesting educational opportunities in our region. These are not just for pastors or pastors-in-training, but are also designed with lay people in mind. See bulletin inserts for more details.
- *NEWS FROM OASIS 2011: CABC Senior Staff Restructuring Plan was enthusiastically passed. Although this means the elimination of traditional Regional Ministers, it also means that our leadership will be able to focus more keenly on our priorities as a Convention, and save us money.*

**CABC PRAYER LINK:** Pray for our Communications Department as we seek to find new and efficient ways of communicating to our pastors and churches.

Pray for Andrea Baird as she discerns how the Lord is leading her in future ministry.

Our Church Library is growing! **Take a look at the great new books and DVDs that have recently arrived.**

Pastor Michael is recommending two books that relate to the Heaven sermon series:

- *Heaven is for Real* by Todd Burpo. This easy read tells the amazing story of Colton Burpo, who, during surgery at four years old, claims to have gone to heaven.
- *Heaven* by Randy Alcorn. Probably the most comprehensive book on Heaven to date, Alcorn takes you through Scripture to describe what Heaven will be like on the New Earth.
