A.D. Series  
**Have you heard about NBC's new A.D. TV series?** It follows the first Christians through the book of Acts, starting with Jesus' death and resurrection. **Beginning EASTER SUNDAY dive deeper into the stories from A.D. with a 12-week sermon series.**

Sunday mornings Pastor Michael will share a message from the book of Acts, including a video clip from the A.D. program that will air later that night. On Sunday evening, sit down and watch what you've already learned unfold on your TV screen!

This is a great opportunity to invite a friend or family member to church with you. Use the invite cards, share on social media, send a personal inbox message or email. Most of all, *pray with us* that God will use this TV series and sermon series to transform lives!

**CUBA 2016**

As was announced last week, plans for a trip to Bolivia didn't work out. But God has clearly directed us to an opportunity in Cuba instead! July 15-29, 2016 - Our church will be traveling to Cuba on a short term missions trip with Canadian Baptist Ministries (CBM). More details TBA. If you're interested in being part of this trip, speak with Pastor Michael.

Pastor Michael has also accepted an invitation from CBM to be part of a small team of Canadian pastors and leaders that will visit Cuba THIS May 24th - June 1st. The team will be learning about CBM's work with its partners on the ground, building relationships, and ministering in various ways including preaching in churches and teaching other pastors at a Conference. This will be an opportunity for Pastor Michael to lay the groundwork for our church team's visit in 2016. (If you are interested in helping support Pastor Michael with the costs related to this trip, gifts can be given through our church, clearly marked for Pastor Michael's Cuba Trip).
